3. PARENTS/CARERS' NEWSLETTER CONTENT

Dear parent/carer,

October is International Walk to School Month, organised in the UK by walking charity Living Streets.

This year, they are inviting pupils and their friends, families and carers to turn the walk to school into an Autumn Street Safari!

Take a few minutes on your journey to collect special items and celebrate autumn with some fun activities. Will you dance around a mushroom? Juggle with pinecones? Make up a scary story? See how many activities you can cross off the list!

Living Streets is encouraging pupils to walk, wheel, cycle or scoot to school as much as possible in October, but those who can't can still enjoy the Autumn Street Safari, with the activities being perfect for some weekend fun!

Download your Autumn Street Safari and find out about our special prize draw at livingstreets.org.uk/autumn
